

## NAT/SST

**Neuro Auricular Technique**, or NAT, vitalizes the connection between the brain and muscles.

**Skull Sutures Technique**, or SST, consists of gently applying therapeutic grade essential oils over cranial suture lines. These suture lines provide an entryway to the brain and nervous system.

### Q&A

*What do I need to accomplish to receive a certification and/or contact hours?*

The course is four and a half hours in person. One of the six required NAT/SST applications on another person is done in class. It counts as one of the six required.

*Once completed what is my next step?*

The originals are kept by you. The copy goes to the person you practiced on. You can either scan or make copies of the six required forms. Be sure the person has signed and commented on the form. Email them to: [Lightwingcenter@gmail.com](mailto:Lightwingcenter@gmail.com) or mail to PO Box 1132, Denville, NJ 07834 and, upon approval, you will be sent your papers.
